

AI Travel Prompt Pack

Your guide to smarter travel

Plan Any Trip in Minutes with These Ready-to-Use Prompts

Planning a trip can be overwhelming. This AI Travel Prompt Pack is designed to help you leverage the power of Artificial Intelligence to create personalized and unforgettable travel experiences. Whether you're seeking adventure, relaxation, or cultural immersion, these prompts will guide you in crafting the perfect itinerary.

Getting Started

To make the most of this pack, simply copy and paste the prompts into your preferred AI tool (e.g., ChatGPT, Google Bard). Feel free to modify and adapt the prompts to match your specific needs and preferences. The more detail you provide, the more personalized and relevant the AI's recommendations will be. Make sure you update all the information on you within the brackets. This is just the beginning to customization. Add all other information you think would help you have the best trip! Such as you prefer upscale cocktail bars or craft breweries. Or maybe you have a dietary preference, let the AI do the hard work of finding the perfect spot for you.

Prompt Categories

Prompts

Cost Breakdown

"Estimate a daily budget for a [budget/mid-range/luxury] traveler in [destination]. Include accommodation, meals, transport, and activities, and provide a breakdown for both high season and low season pricing. Include accommodation, meals, transport, and activities. Provide different estimates for high season vs. low season."

Save Money Tips

"What are clever ways to save money while visiting [destination]? Focus on flights, food, and transport."

Hotel & Airbnb Picks

"Find me highly rated but affordable hotels or Airbnbs in [city] for [dates]. Prioritize walkability and good local food."

Foodie Finds

"What are must-try local dishes in [destination]? Where can I find authentic versions, not tourist traps?"

Offbeat or Local Experiences

"Give me 5 unique or underrated experiences in [destination] that most tourists miss."

Day Trips

"What are the best day trips from [city] by train or bus? Include logistics and ideal timing."

Packing List Generator

"Create a packing list for a [7-day trip] to [destination] in [month/season]. Specify the trip type such as [beach/city/hiking/workation] to tailor the packing suggestions more effectively. Include clothing, electronics, documents, and travel essentials. Tailor the list for a [beach/city/hiking/workation] trip."

Gear & Tech Tools

"What travel tech gear should I bring to [destination] for content creation and remote work?"

Connectivity Abroad

"What are the best SIM card or eSIM options for staying connected in [country]? Include price and coverage info."

Tips for Better Results

- **Be specific:** The more details you provide, the better the AI can understand your needs.
- **Use keywords:** Include relevant keywords to guide the AI's search.
- **Iterate:** If you're not happy with the initial results, refine your prompts and try again.
- **Experiment:** Don't be afraid to try different prompts and approaches to discover new possibilities.

Bonus: Your Customizable Prompt Template

"You are an expert travel planner. I'm planning a [trip duration] trip to [destination] for [solo/couple/family]. My goals are [relaxation/adventure/food/photography/etc.], and I prefer [budget/mid-range/luxury] style. Suggest an itinerary, hotel suggestions, key logistics, and cultural tips."
